

Announcement!

“International Seascape Certification”

I am so excited to tell you about the “International Seascape Certification Program” we are planning for 2013 in Florida from January 7th - 25th, 2013.

We have a great hotel on the beach in Ormond Beach, (Daytona) Florida. The price for a room with 2 queen size beds, a refrigerator, microwave, sitting area, and, best of all, a balcony overlooking the ocean is \$74.00 per night. This includes breakfast.

It’s a great room you could share with a painting buddy to keep your costs down. It is possible to prepare you own meals in the small kitchen. There are less expensive rooms available as well that are not on the ocean side. The hotel will give you this information.

January! What a great time to be in Florida!

Reservations and payment for your room should be made directly to the hotel:

Best Western Castillo Del Sol Hotel
205 South Atlantic Avenue
Ormond Beach, FL 32176
Phone 386-672-6711

Be sure you mention that you want the Joyce Ortner Certification Program rate. We already have requests for anyone wanting to share a room. The painting room also has a view of the Atlantic Ocean. How cool is that!! Because of the size of the room, we will be limited to less than 20 students. So you’ll want to send in your deposits early to guarantee your space. Our friend, Harold Champagne has agreed to handle the registration. You will not be registered until your deposit is received, and those who can do the 3 full weeks will receive priority to be in the class in the event it is full. However, you don’t have to do all 3 weeks at once.

Class fees are \$525 per week. This includes classroom instruction, your “International Seascape Painters Manual”, and all oil paint and medium, which is provided by Grumbacher. Other supplies will be required, and are available for purchase. These include canvas, brushes, etc. A comprehensive list of supplies will be sent with your enrollment package.

If a student cancels up to 30 days before the class date, a \$50 service fee will be withheld on the refund unless we can fill the spot from the waiting list. No refund

on cancellations in the last 30 days prior to class unless we can fill the spot from the waiting list. If the class is canceled by Joyce Ortner, all monies will be refunded to students.

Send your check for the \$150 deposit for level one, \$300 deposit for all three levels, by Dec 1st, 2012 made out to Joyce Ortner to Harold Champagne. Or we can accept Visa, MC, Discover, or American Express. Just call it in to Harold. The balance will be due by Jan 1, 2013. His contact info is:

Harold Champagne

Phone: (706) 473-2376

Who can qualify? Anyone who wants to improve their seascape painting or teach others for fun or profit can take the course.

You will learn so much about being an accomplished painter of the sea, how to apply the fundamentals of good art to your seascapes, how to choose a beautiful color palette to give life and drama to your painting, and how to create motion in your water, and much more.

The Seascape Painters Manual you receive will continue to inform and inspire you long after the training period is over.

I think this will be the most unique, fun, exciting learning experience that you can do to help you become a Seascape Painter! I can't wait to see you there and share this amazing three weeks with you.

As always Happy Painting!
Joyce
